

# The Most Advanced QuickBooks

QuickBooks Enterprise Solutions has advanced functionality to meet your business's complex needs—with the same ease and familiarity of QuickBooks.

## 5 REASONS . . . . . Why QuickBooks Enterprise Solutions is the Right Solution for You

- 1 Enhanced Reporting Customization**
  - Leverage enhanced built-in reports or combine reports from multiple company files<sup>1</sup> to get a comprehensive view of your business
  - Create custom reports with ODBC-compliant applications using a new direct connection to the QuickBooks database<sup>2</sup>
  - More custom fields for customers, vendors, employees and items allow you to capture, track and report on the data unique to your business
  - Easily create professional financial statements with Intuit Statement Writer (included)<sup>3</sup>
- 2 Sophisticated Inventory Capabilities**
  - Track the quantity and value of inventory in multiple locations right within QuickBooks using new QuickBooks Enterprise Solutions Advanced Inventory<sup>4</sup>
  - Change assembly components and quantities on the fly to make substitutions or accommodate special customer requests
- 3 More Productivity Tools**
  - Work in two company files at the same time<sup>5</sup>
  - Perform more tasks in multi user mode including adjust inventory, delete list items, and change sales tax rates
  - Enable multiple users in remote locations to simultaneously work in QuickBooks using Microsoft® Remote Desktop Services<sup>6</sup>
- 4 Expanded User Controls**
  - Restrict user access to individual reports, bank accounts, lists and activities
  - Use Audit Trail to protect you against employee fraud and detect employee errors by recording transactions entered, edited or deleted from the system—with no impact on product performance
- 5 Room to Grow**
  - Scale from 5 to up to 30 simultaneous users<sup>7</sup>
  - Track hundreds of thousands of customers, vendors and inventory items—get six times the capacity of any other QuickBooks product<sup>8</sup>

## Current QuickBooks Customers Can Upgrade And Save 20%

Pricing subject to change without notice

\*Study conducted in November 2008. Pricing analysis based on public information and information provided by accounting software industry professionals for installation supporting 10 users and including core accounting applications for four popular mid-market accounting solutions (excluding Sage Peachtree and Doodle). In some cases the costs are best estimates based on a wide range of source data. Customers should conduct their own price research before making any purchase decision. 1. Requires Microsoft Excel 2002, 2003, or 2007. Company files must all be on the same version of QuickBooks Enterprise Solutions. 2. ODBC-compliant applications sold separately. 3. Requires Microsoft Office 2003 or greater, sold separately. Does not work with Microsoft Office Student Edition or Standard Edition. 4. Additional fees apply for the Advanced Inventory add-on subscription. Requires QuickBooks Enterprise Solutions 11.0 with an active Full Service Plan and an Internet connection. 5. Some functionality may be limited when running two instances. See [www.qbes.com/ysreq](http://www.qbes.com/ysreq) for more information. 6. Additional fees may apply. Use of QuickBooks Enterprise Solutions with Remote Desktop Services requires certain hardware, Microsoft Server operating systems, Microsoft Windows Server software licenses, and Remote Desktop Services Server Client Access Licenses, which are not included with the QuickBooks Enterprise Solutions product and must be procured separately. For multiple remote users, a Remote Desktop Services Client Access License is required for each user. 7. Requires purchase of additional licenses. All users must be on the same-year version of QuickBooks to access the same company file. 8. Enterprise Solutions allows you to add up to one million names (e.g. customers, vendors, employees) and up to one million items (e.g. inventory, non-inventory, and service items). Some performance degradation is likely as your lists approach these size thresholds. 9. Requires purchase of additional licenses; QuickBooks Pro allows up to 3 users. 10. Enterprise Solutions allows you to add up to one million names (e.g. customers, vendors, employees) and up to one million items (e.g. inventory, non-inventory and service items). Some performance degradation is possible as your lists approach these size thresholds. 11. ODBC-compliant applications sold separately. 12. Some functionality may be limited when running two instances. See [www.qbes.com/ysreq](http://www.qbes.com/ysreq) for more information. 13. Additional fees apply for the Advanced Inventory add-on subscription. Users must be on QuickBooks Enterprise Solutions 11.0 and have an active Full Service Plan. 14. Additional fees may apply. Requires certain hardware, Microsoft Server operating systems, Microsoft Windows Server software licenses and Remote Desktop Services Server Client Access Licenses sold separately. For multiple remote users, a Remote Desktop Services Client Access License is required for each user. 15. Requires Microsoft Excel 2002, 2003, or 2007. Company files must all be on the same version of QuickBooks Enterprise Solutions. 16. Requires Microsoft Office 2003 or greater, sold separately. Does not work with Microsoft Office Student Edition or Standard Edition. 17. Provided as a benefit of the Full Service Plan included for 12 months from purchase date of QuickBooks Enterprise Solutions. Enterprise Solutions support team available weekdays from 4 AM - 7 PM Pacific Time. Intuit reserves the right to limit each telephone contact to one hour and to one incident. Support availability subject to occasional downtime for systems and server maintenance, company events, observed U.S. holidays and events beyond our control. Terms, conditions, pricing, service offerings and availability of the Full Service Plan are subject to change at any time without notice. 18. Onfile Backup Service requires Internet access and an active Full Service Plan. 19. The Full Service Plan is good for 12 months from QuickBooks Enterprise Solutions purchase date or Full Service Plan renewal date. You have the option to add QuickBooks Connect, Intuit Commissions, Attached Documents, Time and Billing and DataProtect for free as an active Full Service Plan member. Service begins as of the date activated and continues through to the expiration date of your Full Service Plan. QuickBooks support is available 24 hours a day, seven days a week; the Enterprise Solutions team (including our U.S.-based team of product experts) is available weekdays from 4 A.M. - 7 P.M. Pacific time. Support hours exclude occasional downtime due to system and server maintenance, company events, observed U.S. holidays and events beyond our control. Intuit reserves the right to limit each telephone contact to one hour and to one incident. Active Full Service Plan members receive new version upgrades when and if released within 12 months of QuickBooks Enterprise Solutions purchase date or Full Service Plan renewal date. Terms, conditions, pricing, service offerings, and availability of the Full Service Plan are subject to change at any time without notice. U.S. only. See terms and conditions at [www.qbes.com/terms](http://www.qbes.com/terms). 20. Included as part of your first-year Full Service Plan membership. In subsequent years, your 5 User Full Service Plan costs \$850 which includes your upgrade to the latest software version, plus all the extra services listed here. Prices subject to change without notice.

## Peace of Mind

**Full Service Support & Upgrades.** The QuickBooks Enterprise Solutions Full Service Plan<sup>19</sup> is included in the first year, giving you exclusive access to our U.S.-based team of product experts, unlimited technical support, upgrades, online backup and data protection.

**Seamless Transition.** The advanced capabilities of QuickBooks Enterprise Solutions 11.0 look and feel just like the QuickBooks you use today, alleviating the downtimes typically experienced when learning software solutions. And moving your data up to QuickBooks Enterprise Solutions is as easy as any other upgrade.

## What Customers Say

### Advanced Functionality

"Our inventory is very, very complicated, with over a thousand different models. QuickBooks Enterprise Solutions does a great job helping us keep everything about our 200,000 item inventory accounted for—so we never run short or have too much stock on hand." *Jeff Cooper, President/Chief Executive Officer, Remotes Unlimited*

"The software has very comprehensive security features, so you can actually design profiles for different users, to give them access to specific functions. That's really powerful stuff that you would expect to cost in the tens of thousands of dollars, rather than \$3,000." *Emile Amarotico, President/General Manager, Standing Stone Brewing Co.*

### Ease of Use

"I was totally amazed by how easy it was to convert our data to QuickBooks Enterprise Solutions. The whole process was very smooth. And once we got started using Enterprise Solutions we quickly realized that it's a lot better than what we were using before." *Penny Penrose, Controller, CyberCity*
